

UNIFORM POLICY 2023-2024

Dear Parents,

Below you will find the new, streamlined dress code for the upcoming 2023-2024 school year. We have decided to offer a navy polo shirt version for both girls and boys and “retire” the light blue and royal blue options. You will also find that Mass Day requirements are simpler, in that girls no longer are required to wear a white shirt/blouse nor a sweater vest. Please review the items below to see what is still being offered.

In an effort to make things easier and/or more economical, we have noted what items can be sourced from other vendors. Please be sure to follow the specifications for each of these, such as no logos and solid colors only. Our goal is to offer less expensive options while still maintaining uniformity. We appreciate you making every effort to ensure that all items from other vendors look identical to those from LandsEnd (LE). Please see our website or recent posts (Dojo and Whatsapp) about having a local vendor embroider/silkscreen our school logo onto non-LandsEnd clothing. Thank you.
